**IN THE UNITED STATES COURT OF FEDERAL CLAIMS
OFFICE OF SPECIAL MASTERS**

No. 19-217V
Chief Special Master Corcoran
ECF

On February 7, 2019, Judy H. Brintle (“petitioner”) filed a petition for compensation under the National Childhood Vaccine Injury Act of 1986, 42 U.S.C. §§ 300aa-1 to -34 (“Vaccine Act” or “Act”), alleging that she suffered Guillain-Barré Syndrome (“GBS”) resulting from an influenza (“flu”) vaccination she received on September 24, 2017. Petition at 1. On April 23, 2021, the Secretary of Health and Human Services (“respondent”) filed his Rule 4(c) Report conceding that petitioner suffered the Table injury of GBS following a flu vaccine within the Table time period and is entitled to compensation. ECF No. 40. Accordingly, on April 26, 2021, the Chief Special Master issued a Ruling on Entitlement, finding that petitioner was entitled to vaccine compensation for GBS following the influenza vaccine she received on September 24, 2017. ECF No. 41.

Respondent engaged life care planner Linda Curtis, RN MS, CNLCP, CCM, and petitioner engaged Cynthia L. Wilhelm, Ph.D., Certified Life Care Planner, to provide an estimation of petitioner's future vaccine-injury related needs. For the purposes of this proffer,

the term “vaccine related” is as described in the respondent’s Rule 4(c) Report. All items of compensation identified in the life care plan are supported by the evidence, and are illustrated by the chart entitled Appendix A: Items of Compensation for Judy H. Brintle, attached hereto as Tab A. Respondent proffers that petitioner should be awarded all items of compensation set forth in the life care plan and illustrated by the chart attached at Tab A. Petitioner agrees.

B. Pain and Suffering

Respondent proffers that petitioner should be awarded \$175,000.00 in actual and projected pain and suffering. This amount reflects that any award for projected pain and suffering has been reduced to net present value. *See* 42 U.S.C. § 300aa-15(a)(4). Petitioner agrees.

C. Past Unreimbursable Expenses

Evidence supplied by petitioner documents her expenditure of past unreimbursable expenses related to her vaccine-related injury. Respondent proffers that petitioner should be awarded past unreimbursable expenses in the amount of \$1,375.00. Petitioner agrees.

D. Medicaid Lien

Respondent proffers that Judy H. Brintle should be awarded funds to satisfy a North Carolina Division of Health Benefits Medicaid lien in the amount of \$179,402.32, which represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the North Carolina Division of Health Benefits may have against any individual as a result of any Medicaid payments the North Carolina Division of Health Benefits has made to or on behalf of Judy H. Brintle from the date of her eligibility for benefits through the date of judgment in this case as a result of her vaccine-related injury suffered on or about September 24, 2017, under Title XIX of the Social Security Act.

II. Form of the Award

The parties recommend that the compensation provided to petitioner should be made through a combination of lump sum payments and future annuity payments as described below, and request that the Special Master's decision and the Court's judgment award the following:¹

A. A lump sum payment of \$278,397.43, representing compensation for life care expenses expected to be incurred during the first year after judgment (\$102,022.43), pain and suffering (\$175,000.00), and past unreimbursable expenses (\$1,375.00) in the form of a check payable to petitioner, Judy H. Brintle.

B. A lump sum payment of \$179,402.32, representing compensation for satisfaction of a North Carolina Division of Health Benefits Medicaid lien, payable jointly to petitioner and North Carolina Division of Health Benefits, and mailed to:

Office of the Controller
2022 Mail Service Center
Raleigh, NC 27699-2022
Case Number: 298721

Petitioner agrees to endorse this check to the North Carolina Division of Health Benefits.

C. An amount sufficient to purchase an annuity contract,² subject to the conditions described below, that will provide payments for the life care items contained in the life care plan,

¹ Should petitioner die prior to entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future medical expenses, future lost earnings, and future pain and suffering.

² In respondent's discretion, respondent may purchase one or more annuity contracts from one or more life insurance companies.

as illustrated by the chart at Tab A, attached hereto, paid to the life insurance company³ from which the annuity will be purchased.⁴ Compensation for Year Two (beginning on the first anniversary of the date of judgment) and all subsequent years shall be provided through respondent's purchase of an annuity, which annuity shall make payments directly to petitioner, Judy H. Brintle, only so long as petitioner is alive at the time a particular payment is due. At the Secretary's sole discretion, the periodic payments may be provided to petitioner in monthly, quarterly, annual, or other installments. The "annual amounts" set forth in the chart at Tab A describe only the total yearly sum to be paid to petitioner and do not require that the payment be made in one annual installment.

1. Growth Rate

Respondent proffers that a four percent (4%) growth rate should be applied to all non-medical life care items, and a five percent (5%) growth rate should be applied to all medical life care items. Thus, the benefits illustrated in the chart at Tab A that are to be paid through annuity payments should grow as follows: four percent (4%) compounded annually from the date of
